

Pricing policy:

When you make a Payin from your bank account, you are charged fees and taxes, which is deducted from your account balance.

- **Fees**
This is the fee that bank charges you to make a Payin. This is charged according to your pricing plan.
- **Tax**
This is the GST on the fee, as per government regulations. This is collected by the government.

Refer to the 10.Rs+ GST.

Payin from Virtual accounts:

When you make a Payin using your virtual account, the fees and tax are charged as part of the Payin in real-time.

Example:

The fees for a Payin of ₹10,000 is ₹5 and the tax on this is ₹0.90.

When you make a Payin ₹10,000 from your virtual account:

- ₹10,005.90 (₹10,000+ ₹5 + ₹0.90) is deducted from your virtual account balance.
- ₹10,000 is credited to your contact.
- ₹5 (fees) is credited to vendor.
- ₹0.90 (tax) collected by the government.

In case of a Payin reversal, the fees and tax are also reversed.
